Grade 6 Decoding Skills Supported by Bounce Graphic Novel Selections

The following chart shows the scope and sequence of the decoding skills in Grade 6 of *Journeys Common Core* ©2014. Houghton Mifflin Harcourt is including direct decoding skill practice using a series of Graphic Novels called Bounce. **Bounce** Graphic Novels are designed to provide intermediate level students phonics application in an age appropriate graphic novel format.

For each unit we have indicated a **Bounce** selection appropriate to the skill instruction. The selection title is highlighted in red at point of use.

We will also provide one additional Bounce Graphic Novel A to be used based on student need as an extended opportunity for decoding intervention and application.
